Appl. No.: To Be Assigned Inventor: Bottou et al. Page 2 of 2

[X] The Examiner's attention is directed to co-pending patent Application Serial No. 09/947,410, which is directed to related technical subject matter. The identification of this U.S. Patent Application is not to be construed as a waiver of secrecy as to that application now or upon issuance of the present application as a patent. The Examiner is respectfully requested to consider the cited application and the art cited therein during examination of the present application..

This Information Disclosure Statement is filed within any one of the following time periods:

- [X] within three months from the filing date of this national application other than a CPA under 37 C.F.R. § 1.53(d);
- [] within three months from the date of entry of the national stage as set forth in 37 C.F.R. §1.491 in this international application;
- [] before the mailing date of a first office action on the merits; or
- [] before the mailing of a first office action after the filing of a request for continued examination under 37 C.F.R. § 1.114.

It is respectfully requested that the Examiner consider the above-noted information and return an initialed copy of the attached Form PTO/SB/08A to the undersigned.

Respectfully submitted,

Dated: 11/24/03
